## DETAILED ACTION

### *Response to Amendment*

1. The response dated December 18, 2000 to the Office Action of August 21, 2000 has been received and reviewed. In the response, the applicant addresses an additional "Offer to Surrender Patent" and has sent in a duplicate copy of such offer. *However, before the application can be allowed the original patent or an affidavit/declaration averring that the original patent is lost or misplaced must be received by the Office.* This appears to be the only outstanding issue in the application.
